FIELD OFFICE TECHNICAL GUIDE NOTICE ND-36

This notice announces the termination of **all** North Dakota Technical Notes. The transfer of pertinent information from the former Technical Notes to Field Office Technical Guide (FOTG), Section I – Reference Subjects is now complete.

This notice also announces the following FOTG revisions:

- Section I – The following references have been transferred from Technical Notes to FOTG - Section I - Reference Subjects - Windbreaks and Woodland subsection:
 - Economic Comparisons of Two Windbreak Renovations
 - Economics of shelterbelt influence on wheat yields in North Dakota
 - Effect of Winter and Summer Windbreaks on Soil Water Gain and Spring Wheat Yield
 - How Much is a Farmstead Windbreak Worth?
 - Methods of Protecting Young Evergreens

- Section IV – Herbaceous Wind Barriers Standard has been revised.

Filing Instructions:

- Discard all Technical Notes
- Remove the Table of Contents from FOTG - Section I and replace it with a printout of the attached Section I - Table of Contents.

Direct questions to Mark Anderson at (701) 530-2039 or mark.anderson@nd.usda.gov.
